SUGGESTIONS

One single dose of Maniguard Sanifoam provides the quantity of foam necessary for a complete cleaning, guaranteeing lower consumption compared to the use of liquid detergents which are often dosed excessively due to the low volume of the product.

DESCRIPTION

An efficient and deep cleaning of the hands is essential to ensure correct levels of hygiene in sectors such as catering, hospitality, gyms and spas.

MANIGUARD SANIFOAM is a neutral, unperfumed detergent which, dosed via the special foam dispenser, supplies a foam which is studied to guarantee hand hygiene, wherever an effective cleaning in the food industry is required.

Thanks to its innovative formula, Maniguard Sanifoam:

- Guarantees an elevated level of cleanliness and hygiene for hands;
- Ensures respect for the skin thanks to the presence of moisturisers;
- Reduces waste in usage.
